

County Planner

Lincoln County, Maine, is seeking qualified candidates for the position of County Planner in the County's Planning Department. This full-time (40 hours per week) position provides community planning and economic development guidance, GIS applications, comprehensive planning analysis and environmental planning strategy to the Lincoln County Regional Planning Commission.

Duties include, but are not limited to: supporting planning boards and ordinance review committees; municipal and county coastal resiliency and sea level rise planning; transportation planning; managing state agency contracts; and conservation planning. A key element of this position is to assist in short-term and long-term planning with local municipalities and regional projects and to communicate findings to a variety of stakeholders.

Minimum Qualifications:

- B.A. or B.S. in urban/regional planning, public policy/management, natural resources, or related planning field.
- At least 4 years professional experience (2 years with higher degree) directly related to essential duties
- Demonstrated knowledge and applications of GIS
- Effective written communication, public presentation and interpersonal skills
- Strong organization and analytical skills, including online research
- Experience with major state and federal funding programs
- Ability to work flexible hours as needed
- Knowledge of Midcoast Maine preferred.

Applications are available in the Lincoln County Commissioners' office or at www.lincolncountymaine.me.

Please submit **resume and application** to the Lincoln County Commissioners' Office no later than 2 pm on June 24, 2020.
